

# 26 NORTH

RESTAURANT & SOCIAL CLUB

## OUR HISTORY

Welcome to 26 North Restaurant & Social Club. 26 North Restaurant & Social Club was established in 2015 after 2 Swedes, an Irish guy and many Norwegians all put their heads together to come with a restaurant experience for all people and visitors.

Our goal is simple; to create a dining experience inspired by the Nordic countries, nature, culinary treasures and design.

We want to create a venue where business dinners, romantic meals, special celebrations alongside casual everyday dining can all take place in a stylish and relaxed atmosphere. We want our food, our team and our patrons to be the stars of the show.

## A CLEAR FOCUS

Our food focus is sincere and uncompromising. We only put the very best of the forests, fjords and farms onto your plate. We use quality, locally sourced products from the region and the country in order to showcase the best of what the North can offer.

## THE VISION

When it comes to liquid refreshment, we provide a tippie for every tastebud. Whether it's a dry white, a black I.P.A Beer, the latest up and coming cocktail extravaganza or a robust red, we have an extensive list at prices to make you smile.

Our service policy is relaxed, friendly and really informative. All our team have tried every dish and even have exam on the food, test them out, they love it.
